AMENDMENT

In response to the Office action dated June 18, 2002, Applicants hereby request
that the above-identified patent application be amended as follows:

In the claims:

Please cancel claims 12-20, without prejudice.

Please add new claims 21 and 22 as follows:

12 21. (New) A floor joist retainer, for use in a concrete foundation formed by
pouring concrete into forms, comprising:
a floor joist retainer body having an open front, sides, a back, a bottom, and an
open top, the floor joist retainer body being configured to receive and support an end of a
floor joist positioned within the floor joist retainer body through the open top and front;
